SENATOR FOR THE A.C.T.

Dear Mr Hogan

I, as Minister for Sport, wish to acknowledge your commitment to develop Australia's first indoor skydiving facility at Penrith, New South Wales.

The Australian Government is committed to enhancing and promoting community sport and, through it, building healthy and active Australian communities. I support the efforts of the Indoor Skydive Australia Group in developing this new facility which will provide opportunities for increased participation in sport and active recreation.

I fully endorse efforts to secure private sector investment for this worthy project. Having well maintained and new sporting infrastructure such as this, is vital at a local level.

Yours sincerely
